

Referendum Budgets

Each recognised campaign will be provided with a £100 budget.

Each recognised campaign can spend the total amount of budget provided and then claim the expenses back. You must not exceed the budget provided per recognised campaign.

You can claim the expenses back by completing a template expenditure form and emailing a completed copy to studentvoice@guild.bham.ac.uk along with your receipts.

Campaign budgets must be submitted by, and therefore will be reimbursed to, the Campaign Team Leader, or their nominated Deputy, only. The Campaign Team Leader has responsibility to ensure this administrative process is followed.

The deadline for campaign budgets to be submitted is Wednesday 10 June 2026 at 12:00pm.

All expenditure must be evidenced by a receipt that shows payment was received for the items. You must submit your receipts with your expenditure form, otherwise you may not be reimbursed for that expenditure.

Receipts can include a photograph of a physical receipt or a downloaded file (e.g. a PDF) of an online receipt/invoice from a retailer. Screenshots and screenshots of bank statements will not be accepted.

You will be able to find a template expenditure form in the Referendum Resource Hub on the website - please ensure that you download the form before you complete it!

If you have any issues with accessing this, please email studentvoice@guild.bham.ac.uk

What can you spend your budget on?

All expenditure being reimbursed must be clearly utilised for the purpose of promoting the Referendum and sharing the views of the Campaign Team. Any expenditure that is not used for this purpose will not be reimbursed.

Here are some ideas of what you can use your budget for:

- T-Shirts or props to use during campaigning or in campaign photos or videos
- Costumes
- Stickers, posters, leaflets and other printed publicity
- Paint, fabric dye, craft materials
- Sweets or freebies
- Banners/Banner Material

- Sponsored social media posts/social media ads

All costs incurred upon purchase must be included in the reimbursement and contributes to the budget total, this includes postage and packing, transaction fees, etc.

You cannot spend the budget on alcohol, donating to charity, paying wages or commissioning an individual to perform a service, or purposes not aligned to the referendum.

What items don't have to be included in my budget?

There are certain items that may be freely available to Campaigners, in that they are already owned or are of low value. Some examples of these are below.

- Materials used to stick up publicity - e.g. BluTac, drawing pins, string, safety pins
- Items used to cut materials - e.g. scissors
- Writing Materials - e.g. pens, pencils

These do not have to be included in your budget, however should an item be utilised in a different manner that outlined above – a pen being specifically made to promote a stand in the referendum and given out to students, for example – the Returning Officer may request that the cost be included in the submitted budget.

Expenses such as travel costs for Campaigners are not required to be included in your budget.
