

Post Title:	Senior Community Engagement Coordinator
Responsible to:	Community, Advice & Support Manager
Responsible for:	Community Engagement Coordinator and Student Staff
Grade:	Guild Grade D

Organisation:

This role is part of the Community, Advice & Support department working collectively with colleagues delivering the Guild's student advice, community engagement and student wellbeing and lifestyle campaigns and activities. The Community, Advice & Support Department is part of the Community & Representation Directorate.

Job Purpose:

The Senior Community Engagement Coordinator role is to supervise, develop and support staff to deliver the Community, Advice & Support departmental plan. Acting as a role model for the required standard of values, behaviour and performance, we expect Senior Coordinators to help to create an inclusive and engaging environment for all.

The role is required:

- To supervise on engagement projects to support the implementation of the Guild's Community Engagement Strategy.
- To be responsible for supervising core and student staff members.
- Strengthen relationships between students and the wider community by increasing participation in community-based volunteering projects, events, and activities while promoting environmental initiatives and engagement within the local community.

Success in the role will require a highly student and customer focused approach together with an emphasis on teamwork. The role involves collaboration with internal and external stakeholders, acting as a positive ambassador for the Guild and facilitating under-represented groups to find a comfortable place here.

Supporting a culture of ambitious targets and the evaluation and promoting a positive team spirit are also key. Senior Coordinators are expected to act as role models for the Guild's competency framework, which should be read in conjunction with this job description.

Key Role Responsibilities

1. To work with the Community, Advice & Support Manager to ensure the successful implementation and maintenance of Community Engagement projects.
2. To develop initiatives that support the Community strategy of the Guild of Students and foster positive relationships between students and the local community
3. To increase the range and volume of community events that demonstrate the value of the University and students within the local community
4. To supervise, support and develop relevant staff and volunteers, ensuring effective recruitment, induction and development in line with the Guild's policies and competency framework
5. To assist the Community, Advice & Support Manager with preparing the budget for community engagement activity and to be responsible for reporting on it, maintaining accurate records of activity and expenditure in accordance with the Financial Procedures Manual
6. To develop and maintain effective working relationships with key staff at the University of Birmingham, the City Council, the Police and other internal and external stakeholders
7. To develop and implement plans and initiatives that will lead to future improvements, including new and enhanced income streams
8. To broaden the scope of environmental activity within the local community to follow the NUS Green Impact quality standard; including maintaining the regular waste management schemes and other sustainability initiatives
9. To develop large scale community events that provide a profile with our local and external community partners
10. To support elected officers with sufficient information to enable them to actively engage with community activities.
11. To attend community meetings as appropriate in relation to the work of the Community Engagement Team, including meetings with the City Council to ensure the requirements of students in the community are considered

12. To develop and maintain relationships with local schools in the community to broaden the scope and impact of the Guild.
13. To implement and monitor relevant policies and procedures for Community Engagement projects.
14. To work evenings and weekends as appropriate to ensure effective engagement with the local community at events determined by the Community, Advice & Support Manager.
15. To assist, where necessary, in moving items or equipment to local Community events.
16. To actively look for ways to work smarter and to identify improvements, such as efficiencies or service enhancements through research and other evidence sources, and to recommend these to the Community, Advice & Support Manager for consideration.
17. To develop and maintain effective working relationships key internal and external stakeholders.
18. To affiliate to relevant bodies and establish a network of contacts and related service providers at local, regional and national levels, as necessary.

General Duties:

1. To undertake appropriate induction and ongoing training and personal development, as required for the role.
2. To adhere to all Guild policy with reference to HR, staffing, health and safety, data protection, environmental and any other specific Guild Policy which impacts upon your role or that of the team.
3. To be familiar with the Guild's competency framework, striving always to demonstrate the positive behaviours which drive the highest standards of personal and organisational performance in supporting our students. As People managers, Senior Coordinators should be developing within level 2 (manager) of the six competencies (Student and Customer Focus, Accountability, Results Focus, Inclusivity, Communication and Teamwork) and within level 1 of the 'Motivational Leadership' competency, which is designed to support staff to achieve high performance.

4. To act as a role model in portraying a positive image of the Guild both internally and externally, acting as an ambassador and displaying high standards of personal integrity and professionalism.
5. To support the Community, Advice & Lifestyle Manager and the wider work of the department, where necessary, in the event of sickness, holiday or other exceptional circumstances.
6. To undertake such other duties as may be reasonably required, consistent with the nature and grade of the post.
